The Lady:

Pictures on website accurate, although hair was straight. Very slim, pretty, outstanding body. Slim, toned legs. Flat toned tummy ? sexy as hell. An arse that ranks with the best of them. Small breasts ? all natural. Lovely belly pierce, variety of tattoos. Golden combination as far as I am concerned.

The Story:

Had tried to book Abbey a couple of times before and she was always busy, or had clients extending. A mark of a good girl. She was very friendly. At pains to find out what I liked. Bit of chit chat, then into the bedroom. Wow ? what a figure. Cuddled up for a bit. Owo ? nice. Sex with her on top, me on top, doggy. What a fantastic arse. All good really. She seemed passionate and to enjoy it. Would have been nice if she stayed in bed a bit longer to cuddle up given we still had 20 mins left, but that didn't detract too much from what was otherwise a good experience.
