The Premises:

She met me at my Hotel iBis Portsmouth. Won't really recommend the hotel as the toilet & shower are perhaps the smallest in the world

The Lady:

I can't be too descriptive here as I am blind and can't talk about Marianne's facial features. But she has silky soft long hair which I am told is blond, a rather large chest and a curvey body. I usually go for slim and small petite women with dark hair but Marianne was a interesting change.

The Story:

She was friendly, kind, bubbly and chatty. I don't do short bookings normally as I want to get to know the lady better over drink/meal. I then feel comfortable with the bedroom activities later. She was completely up for it. We had good and clear communication between us right from the beginning.

She delivers all she promises on her profile. I didn't make use of all her services but was perfectly content with what she offered me. I even got her to squirt a couple of times which was a first for me. Her oral skills are to die for.

Marianne was kind enough to meet me at the train station for our overnight date so that I don't have to figure out the route to the hotel myself. Do remember that I am blind. Although I do have decent mobility skills, finding my way around in a new town is always a challenge. So I was glad when she offered to pick me up at the station. She was dressed in a lovely knee-length skirt. The plan was to walk down to the hotel, check in and go out for dinner. But once we got to the room, there was a minor deviation in the plan. We had a long passionate kiss and I soon felt some discomfiture in my groin which had to be relieved of course. So I jumped into the shower for a quick wash of my privates as I just had a long train journey. Then comes the fun part. I used my fingers on Marianne to bring her off (I think) and she squirts copiously on my wrist and thies. She then relieves my discomfiture with her fantastic oral skills. I was in heaven already! We then go out for dinner and drinks. We had a long
conversation about all things over tapas in a Spanish restaurant. Marianne is a chatty and very open lady and can easily converse on a wide variety of topics. She then takes me to a bar that she frequents for a quick drink. We are then back at the hotel for some proper action. She puts on these

lovely silk stockings while go into the bathroom. They feel lovely to touch and I had a great time taking them off her. we get on the bed for a 69 and soon enough, she was squirting all over me and the bed
again. Then the condom comes and we end up in the missionary position. All the excitement meant that I wasn't going to last long. Marianne tried using her oral skills again but even though I got hard, it was clear that I wasn't going to be able to come another time. So we cuddled up for some well-needed rest. In the morning, Marianne employed her excellent oral skills again and I had no problems coming again. We then went out for a quick breakfast before Marianne dropped me off at the station. I
am a very satisfied man. She is a lovely lady and should be treated like a proper lady. But I can assure you that she is a very horney lady...
