The Lady:

Pictures on website accurate, although hair was straight. Very slim, pretty, outstanding body. Slim, toned legs. Flat toned tummy? sexy as hell. An arse that ranks with the best of them. Small breasts? all natural. Lovely belly pierce, variety of tattoos. Golden combination as far as I am concerned.

The Story:

Had tried to book Abbey a couple of times before and she was always busy, or had clients extending. A mark of a good girl. She was very friendly. At pains to find out what I liked. Bit of chit chat, then into the bedroom. Wow ? what a figure. Cuddled up for a bit. Owo ? nice. Sex with her on top, me on top, doggy. What a fantastic arse. All good really. She seemed passionate and to enjoy it. Would have been nice if she stayed in bed a bit longer to cuddle up given we still had 20 mins left, but that didn?t detract too much from what was otherwise a good experience.
