The Story:

This was a bit of a let down. She gave a reasonably good massage but afterwards simply made next to no effort. Felt very mechanical. If you're paying ?100 or more you should feel as if you're getting the lady's attention at least. Only one condom in the room. After round 1 there was 20 minutes left. Lots of lying around and silence. Eventually she said (again rather mechanically) "you want sex again?". She left to get another condom and came back with "you think you can do it in 5 minutes?" By then I'd lost the will. Won't be coming here again, had a fairly similar experience with Tiffany.
