The Lady:

Janet is Polish and very slender with short white hair. She has a pretty and characterful face and a ready smile. Her English is good so comms are fine on text or face to face.

The Story:

Lovely. Janet knows what she is doing but also she can pick up on wht you seem to want to do and she makes her body available to you.

She is very slim but her small boobs are still nice to caress and suck and her bum is tiny but a lovely handful.

We cuddled and kissed before Janet sucked me owo and happily agreed to 69.

Then the sex was energetic and satisfying in mish and doggie where I again paid attention to handling her bum.

Lovely girl who deserves the plaudits that have come her way.
