The Premises:

Safe area near tube station, well decorated, clean and tidy basement flat, easy to find in a nice area.

The Lady:

Beautiful blonde English lady in her mid 50's. She has got massive boobs, pretty face and a wicked smile but feel at ease with her very quickly.

The Story:

I am not in my 50's but sometimes I feel like seeing mature ladies. I asked for a recommendation from the agency, and they suggested Kate.

This lady can easily be a dinner date as the conversation just flew. She has a great attitude and great company. Her deep throat was amazing. Lovely time and one of the best mature ladies that I have seen.
