The Premises:

Much reported-on: at least 6 rooms that I know of, all well-appointed and with video. I had, again, the large "double" one, with mirrors all over the place and space to do the job properly. Always feel perfectly safe, except, maybe, for the few seconds standing in the "shelter" waiting for the lift to come down!

The Lady:

Celina: part Arabian, and considerably slimmed down since the last time that I saw her. However, though slightly less curvy, she still retains a good body. Because of the slimming, her well-lipped cunt is even more prominent between her legs. Long dark hair.

Daisy: a ridiculously small woman, almost schoolgirlish. Very slim, with small pert tits and standing only knee-high to the average whore. Bobbed, medium-length, reddish-brown hair.

The Story:

I am making this FR on the basis that, although it's my second on Celina (See FR 86597, 23.11.08), she has been out of it for more than a year. Well, she's very much back now, and I was glad to hear it. I'd fucked Daisy a few times before, and knew that she is a brilliant and sexy performer; and they both worked very well together: just the right balance between light-heartedness and raunch.

First, Daisy dropped to her knees and performed the OWO that she had suggested, while Celina did a lovely strip in front of a big wall-mirror, spreading her legs and bending over exactly as requested and required. Then Celina took over the OWO while I undressed Daisy while snogging her. They both then lay side-by-side with their legs wide open and took a simultaneous good gentle fingering. I then lay between them and the girls alternated: one of them OWO-ing me while the other one snogged with DFK; then turn-about / all-change. On with the rubber and fucked 'em both, in a variety of positions, then had them lie down again, and I knelt, one knee between each pair of thighs (and with a hot pussy up against each knee), before I shot a good load, which I shared between their two bellies and four tits.

To finish, a good four-handed light massage until I'd recovered, then on my way a decidedly happy chappie.
