The Premises:

Modern ground floor flat close to town centre. Everything very clean inside, though could do with some new towels. The flat is shared with another escort and a maid but they are not seen. Big comfortable bedroom, well appointed bathroom and shower with good range of toiletries.

The Lady:

As mentioned by others, Lucy is attractive and very petite ? not for guys who go for the curvy girls.

The Story:

What really strikes you about Lucy is her attitude. Smiles from start to finish and very keen to please. She is highly skilled and enthusiastic at all aspects of the service, including ?A? level tuition.

I recommend Lucy highly as long as, like me, you've got a taste for very petite ladies. Only downside was hearing the other girls talking in another room. Didn't bother me but it might unsettle some guys.
