The Premises:

nice enough, clean linen and place smelled good. That's all you need really

The Lady:

short but cute as hell. I am quite tall so did think about it but ultimately I loved her blonde bombshell look and went with it. I wasn't disappointed she was bubbly, energetic and a real pocket rocket. She was very good looking, she probably looked a little older than 18 but I can believe she was 18 as she was pretty flawless both facially and bodily.

The Story:

I think when you come to see a younger escort you know full well you are not going to get the same conversation you would normally get with a more mature lady. Mindy was chatty but in a more frivolous way than I would expect with an older lady. It was more banter and fun chat. That wasn't a bad thing as it soon led onto flirting and then heavy flirting then heavy petting.

she was wearing shorts and a little top and it didn't take me long to get her down to her g string and bra, it took a little longer to undress me as she did take her time a bit which was pretty sensuous. Once everything was off though she went to work and was energetic, enthusiastic and she was all over me like a ferret. Not that I have ever had a ferret on me but she seemed to motor around my body stopping off to suck my cock snog me and play with my dick some more.

When I got to fuck her she joined in and pumped as hard as I did she was just a bundle of fun that I struggled to keep down.

if you want a chat and some older company Mindy is not for you. If you want a bubbly, sexy, pretty girl to have a laugh with and some full on sex then she is.
