The Story:

I made a bit of a cock up turning up at the place next door and found myself nearly with the wrong girl due to a misunderstanding with the bookings and me being in the wrong place and the punter who the young lady was to see having the same name as me . I was shown to were i was meant to have gone luckily right next door and then shown into a room and in came Zoe . Wow 5'8 in height with long red hair and a great smile we started of with some light kissing and then a quick back massage . Followed by owo and then on with the rubber to which i asked if i could return the favour and licked and nibbled at her sweet pussy . and then missionary to finish . Would i return again absolutely she has a charm and wit and a great northern accent someone i can relate too with a good chat and a laugh . Sorry about the cock up at the end luckily we were able to get it sorted swiftly .
