The Premises:

Immaculate and well equipped room. Excellent shower and comfortable (and strong) proper massage bed. Building is safe and discrete.

The Lady:

Tall, Lovely and Fresh faced Blond. 25 y.o., her way was charming and hers manners perfect. When she opened the door my reaction was "oh wow". When I came out of the showers and she was in her sexy undies showing endless legs I had to say it out loud. Holly could be a ?500/ hr hotel escort and it wouldnt surprise one bit. On this rate she is VFM on a scale that is very unusual. Her accent is sexy EE but her English is great.

The Story:

Holly's gig is sensual massage and a sweet discussion. It said somewhere in the website that she is a good listener and I have to admit I enjoyed a real chat with her. She knew her way around and quickly had me so hard that lying on my front was uncomfortable. No matter, I rolled over and things really got warm. Maybe I just got lucky but I access to her breasts, bum, and beyond and we had a pretty hot mutual grope before she wrapped her lips around my cock. Holly delivered a long and delightful BBBJ and I ended with my hands wrapped in her blond hair and my cock well deep in her lovely mouth. She was more than willing to continue massage but I was properly sated and left with a kiss and a determination to get back there as soon as possible.
