The Premises:

As per previous FRs - new development, clean, secure. Can't comment on the view - never looked out the window ;-)

The Lady:

Beautiful, web photos are accurate and capture that wicked glint in her eye ;-)

The Story:

Arranged at very short notice, the agency is very good - professional. What can I say, this woman is way out of my league, but I decided to treat myself, and what a treat ! As the other FRs said, she is all over you the moment you walk through the door, deep passionate kissing and lap dance style rubbing, and that before the financials are taken care of. After that... she has an amazing figure, awesome OWO, pretty much demands reverse oral and 69. Different positions, etc.. finished off the second time by hand over her stomach as she played with her toy.

She`s insatiable, so if you`re the wrong side of 30 like me, book her for a few hours and take Viagra, you might be able to keep up ;-)

Nice chat during the intermission, she very easy to talk to, excellent English, she been here for awhile. I think she`s wonderful and the image of her seeing me to the door naked will stay with me for ever.

Thank you Anika

P.S. The steakhouse nearby is quite good if you need to rest/recharge after the visit ;-)
