The Premises:

yes it was clean as usual high standards

The Lady:

she was olive skinned dark haired and brown eyed, and young, she sort of looks like Bianca that was on the chat on sky, that girl is another fantasy of mine, one from the chat i mean.

The Story:

got there the maid, asked me if i wanted a drink the usual, anyway i was shown to the room and then in walked Dita with my Drink we sorted out the finances

Then the fun began, she gave me a hug and then we kissed and then she undressed me, i think i got a bit too carried away with my kissing and she said easy tiger in her lovely Italian accented voice, anyway for a teenage girl she knows what she is doing as i have been with a few girls from Milton Keynes that were younger and not many of them are as good as Dita, i would say only Emma Kitty and Ruby that i have seen do match up to this girl but each special in their own way,

she gave me some oral then i asked if i could lick her and she said yes sure and we did it in the 69 position,

anyway we had sex with me on top and some more kissing, and then we did it doggy style which was a treat as she has a lovely bottom, she was another girl that said fuck me you have a large cock now i dont want to boast but i am getting loads of girls say this to me now and that please me, anyway would i see dita again well for sure, she is like a Lamborghini, in a way such a super girl and fantastic to drive in
