The Lady:

Nice body but quite unattractive face. Even though the picture was blurred on the website, I could clearly see that she was not the girl of the website

The Story:

Very disappointing, this girl is a waste of money (probably the agency as well). The punt lasted about 20 min only, she offered only a covered BJ and sex. The lady did not even take her bra off and did everything she could to finish me off as quickly as she could. After 5 min of sex she wanked me to make me come, so I insisted for continue with doggystyle sex instead, which she refused, so I finished missionary.

She clearly did not enjoy it and did not make much effort for me to enjoy either, worst 130 pounds I've ever spent.
