The Premises:

Spotlessly clean first floor apartment in a very new development, close to (but just outside) the town centre. No adjacent parking, but several Council car parks within five minutes' walk. Buzzer lock. Bathroom, with clean dry towel provided - if I was more of a tecchie I'd have probably been able to work out the controls to have a hot shower, but I was able to wash all the bits that matter!

The Lady:

Tall, slim & sexy! No enhancements, and she doesn't need any - delightfully responsive nipples, and, to my slight surprise, I don't think she needs to use extra lube! Blonde hair hanging in ringlets half way down her back.

No one is perfect! I have to try very hard to find any fault with this lady, but, if you insist, then I'd say that I'd prefer that her bum was just a wee bitty more rounded!

The Story:

In a half hour appointment you can't do everything (even if you had the strength to do so), but "Becky" provided me with all that I wanted, and (rare, and to me, a major plus point) after I'd had my wicked way with her, and she'd disposed of the cobalt blue mackintosh, she came back to the bed for the last ten minutes for a cuddle, and chat.
