The Premises:

There's plenty of on-street & off-street parking very close by. The place itself is upmarket with a feel of a good quality private apartment once you're inside. The entrance while on a junction of two busy roads is fairly discreet because there isn't a sign saying the name it's just a big set of numbers.

The Lady:

Jenny is quite stunning, with shoulder length hair, a very pretty, expressive face and a fantastic figure. She is about 25 I would guess (I can't remember what the receptionist said) and appears to workout but without the muscled look.

The Story:

The massage was quite short but I really wanted to get down to business so I wasn't bothered about that. Jenny actually seems to enjoy her work and was enthusiastic about giving and receiving oral and actually managed an orgasm - no guys a real one not the ooh arrrs you get with some girls. We then had sex in 3 positions and finished off in the mish. Overall an excellent punt and certainly someone I can recommend as a full ten out of ten!
