The Story:

She is a lady with a lovely personality start with some conversation, she was dressed as a sexy PA after a strip those fabulous boobs were unleashed and a good bit of sucking on those erect nipples which she seemed to enjoy by this time something had come up if you know what i mean and we had some fun making good use of it which went down well or should i say up, in all a ghood timr which the time went to quickly so now time to save up and return she is a lovely lady and cannot wait to return treat her with respect.am missing those boobs and the australian accent.
