The Premises:

Clean location and room on a busy street. Entry through an unmarked door except for the number. I used the back room which although small and with a very hard bed I soon forgot about with Chloe

The Lady:

This lady is exactly my cup of tea. She is mixed race with I would guess a 8-10 dress size about 5'4 and absolutely gorgeous. She is very friendly in the room, warm, open and FUN.

The Story:

I wasn't expecting much for 25pounds, probably an older, larger lady that later I would regret having visited.

What I got was a beautiful young lady with an incredible body, not skinny and hard but perfectly sized with great natural tits.

The part that amazed me about this place was that even though the price is 25GBP Chloe is beautiful, her service was TOP NOTCH. I mean probably as close to a GFE as I have ever got with a working girl I'm talking about kissing, laughing, rolling around touching each other. She does offer OWO but I like to stay safe.

WOW I can't wait to go back, though I forgot to ask which days Chloe works. I'm going to have to ring and find out. 25 quid, unbelievable value for money.
