The Premises:

Conveniently close to Paddington station and easy to find. Margo's room is small and the en-suite bathroom microscopic but at least there is one and both were clean and tidy.

The Lady:

Margo is a v. attractive Russian girl and is accurately described on the website. She is attractively sun-tanned.

The Story:

Margo has only been in London 3 weeks and is not confident or fluent in English but she is intelligent and I'm sure that she will pick it up quickly. Despite the limitations of her language we chatted pleasantly. She asked me at the start if I was interested in her flatmate (Lina I think) joining us for an extra ?100. I decided no but I might be tempted another time!

We started with a kiss and cuddle and Margo seemed to enjoy having her pussy and clit rubbed. She then gave me a nice bbbj and then it was condom time. We fucked slowly and sensually with her long legs wrapped around me.

She had 2 condoms on the bedside cabinet but by the time my thoughts and cock turned to the idea of a round 2 Margo pointed out (quite correctly) that unfortunately my hour was up. My fault because I should have watched the time although its true to observe that she did pop out of the room a few times (to get me some water, take a shower etc) that helped to run the clock down.

A v. pleasant girl who loves to travel and seems to have seen more of the world already than I have. I'd certainly see her again if she stays in London.
