The Premises:

Well documented in many other field reports. Close to tube, safe residential area, spotlessly clean

The Lady:

This lady is STUNNING! Over the years, London Retreat has had some amazing ladies working there. Charlotte is without doubt one of the prettiest. The pictures are pretty accurate but because you can't see her face, you'll have to visit her to see her best feature.

The Story:

I'm amazed that Charlotte has only one field report listed on her website. She's easily one of the best to have ever worked there (an that includes Jenny and Victoria -remember them???)the effort she put into understanding what I wanted and making sure the scene was perfect in every detail was at a level I've never seen before.

Not only is she amazing looking, she is smart (working on her third degree) and wickely creative. I won't bore you with the graphic details of my time with her, surfice to say that she took the idea I have her for a scenario and made it her own. Half an hour of absolute bliss with a beautiful evil genius!
