The Premises:

Location seemed safe. Room was well decorated and clean.

The Lady:

Very attractive, good boobs (recent boob job) and great ass.

The Story:

If I could sum up Paris's performance in a word it would be WOODEN. Was interested in engaging in any conversation and didn't offer any extras.

She started with a quick lifeless massage and then on with the cover for an unexciting BJ. Offer the option of mish or from behind as she didn't like to be on top. After trying both the old man lost interest and I asked her to finish off with a hand job.

Remembering that this was at the start of her shift, I'd hate to think what she's like at 7am after working all night.
