Nice apartment in a pleasant block of flats in an upmarket area of London.

The Lady:

Looks better in real life than in the photos - beautiful, tall, with an amazing complexion, a lovely smile and large enhanced breasts.

The Story:

I won't go into much detail, suffice it to say I enjoyed myself very much. I do this as much to see and touch and talk to the most attractive women I can find, as well as the obvious., and Anita definitely fits the bill. We were both, I think, a bit distracted - me because of the heat and being slightly late, and her because she had just moved. Still, it was a pleasant end to an hot day.

Oh yeah, and just watch what she does with her mouth and a condom...
