The Premises:

Easy to find with lots of parking.Clean place with mirrors in all the right places.Most important was that it was airconditioned as the heat was very brutal.

The Lady:

Louise has girl next door tanned good looks and a very ready lovely smile.Alot taller then her pictures suggested but i find that a plus with very lovely breasts.I guess her dress size at a 10 to 12 and 36c in bra size.

The Story:

Louise went thru the menu for me and i settled for the full 1/2hr vip service minus owo which i prefer not to indulge in for obvious reasons tho it is on offer.Reverse o is very important for me tho and i was pleased to hear Louise loved it too.Her lovely bouncy bare breasts had me gnawing on them as i played with her pussy without once being told not to which i note from other fr's happens quite frequently.I enjoyed some serious muff diving as i alighted on her delicoius landing strip with her lovely pierced pussy for a good 15 minutres.Thruout the service their was plenty of cuddles and smiles.Altogether a good punt with a lovely english rose.
