The Premises:

Britishbabes now have two London flats, this one is in the West End, near Edgware Road and Marble Arch stations. Its a smart flat, totally discreet, entrance via intercom.

The Lady:

Tamsin is early 30s, very pretty, long straight brunette hair, gorgeous figure.

The Story:

After previously seeing Tamsin as part of a fantastic 2-girl session, this was my first one on one with her. The sex was every bit as good as I'd expected from our previous encounter and more. She provides an enthusiastic GFE with superb kissing, and seems to love every minute of it.

Round one completely drained me, so I could only manage to cum once, but the rest of the time was spent kissing and cuddling, and getting to know each other. As well as being a hot milf who knows exactly what men want, Tamsin is very intelligent and great company. I intend to see her as regularly as possible in the future.

As for the establishment, Britishbabes are this year's best newcomers in my view. All of the girls I've been introduced to here are hot, and prices are great vfm for London.
