The Lady:

Chelsea (formally of Toucan in Swinton) Early fifties, gorgeous looking, amazing body, thin, with legs that go on forever and the biggest nipples I've ever sucked!

The Story:

Second time I've seen Chelsea and won't be my last. Never disappoints. Took a shower, Chelsea came in popped her bra off to reveal her firm enhanced tits and those incredible nipples. Removed her nickers as she lay on the bed beside me. Started to kiss with tongues, really erotic and had me hard instantly. Sucked on those delightful nipples, then some 69. Her pussy is absolutely stunning, clean, shaved and when you have licked it for 5 seconds you just want to get in there! On with the rubber and some vigorous fucking in a few positions. She can take a good hard pounding and believe me I was hard! Wanted to remove her stocking and lick, kiss and suck her bare feet but she declined. Shame. So instead of me wanting to unload over her soles and lick it off she wanked me over her tits instead. A big load which I licked off. All in all a great service from a wonderful lady. Treat her well, she's wonderful. See you soon Chelsea
