The Premises:

Flat above shops in residential area. Plenty of free parking and felt safe. Flat clean and tidy, esp the bedroom. Offered shower before (Declined,I had just had one) and after (Pleanty of hot water and non-scented gel etc, and listerine to use too!)

The Lady:

petite is the only word. Gorgeous bum, lovely big nipples. Black crinkly hair, nice silky olive skin. Some tatoos but not obtrusive, and I dont mind a few anyway.

The Story:

Offered a drink, which I accepted. Started with a cuddle and chat, then Demi undressed me. The lay me down on the bed face down (Which was difficult!!) she massaged my back and neck, expertly finding the knots in my muscles. Then she stroked my balls and peroneum. Wow!. Then i truned over and she massaged my cock and balls with her massage gel. Then she offered to try one of her toys onm me, and then vibrated all reound there including round my bum. Phew!
Then on with the condom for some nice oral including a 69 session, then some nice varied shagging till the conclusion.
What a night! Not what I am used to but excellent.
