The Lady:

after my last report i said i would not return,i did,and i shall probably return again.BUT! sat outside to check the girls going in,usual last minute rush of the ususal suspects working a sunday.maybe i need to change my punting day.However i checked this cracker returnin from the shop with lunch and thought hey she's for me.unfortunately she was the receptionist.damn,so i was left with the choice of Zoe(till high on drugs)samantha(large scottish blonde),taylor(slim scottish blonde) and charlie my punt fron last time.Not a good choice of ladies ,taylor was my only option.average looks.slim and talkative.

The Story:

i wasnt in mood for trying to cum twice so opted for owo and cim.i have to admit she was real good,agreed to stop/start so i didnt explode quick and with plenty ball and ass licking she got the mouthful of cum she deserved after 15 mins.
