The Story:

started off with DFK, moving onto OWO, expertly done, i nearly couldn't control myself, i was worried that i would explode in her soft warm mouth, without be able to feel her wrapped around my manhood.

with ellie on top, i could see her beautiful body and blue eyes, her nipples were sensitive and fully erect after a few minutes of riding my manhood.

it was difficult trying to last as long as possible, but i was able to cum on her beautiful tits.

what a way to end an evening!!!

ellie works on mondays and tuesdays so i can't wait for next week!
