### The Premises:

Crummy flat above a converted shop in one of the turnings off Fore Street. The phone and door were answered by an elderly Chinese maid with very little English. The bedroom was clean enough and fit for purpose.

### The Lady:

Said by the maid to be Japanese but actually from Hong Kong. 22 years old, very pretty with attractive, well proportioned figure, very short - about 4'10" tall, long black hair which reached to her bum, firm tits with very responsive nipples. Limited English.

### The Story:

A good punt spoiled by the fact that Candy appeared to be suffering from a cold and kept coughing and sneezing. Hope that's all it was! A very attractive young Chinese girl who greeted me with a deep wet kiss then proceeded to undress me, then into a proper massage (including very gentle handling of the naughty bits which was very stimulating). That led to good OWO, which seemed to come as standard followed by me returning the favour. She appeared to enjoy it but didn't cum despite my best efforts. Missionary sex was followed by another massage. At the end she even dressed me. Sweet. Well recommended but wait till she loses the cough.
