The Premises:

Clean and safe, a lot better now it has been refurbished

The Lady:

An attractive, well spoken girl, early twenties, blonde hair

The Story:

Started with an ok massage, then some good covered oral. Actual sex was a bit mechanical as if Hayley was not really interested.
What I do not like is all the "extras". It was ?10 extra for uncovered oral - which I suppose is standard these days. But it would also have been ?10 extra for me to perform oral on her, so I politely declined. These extras should be upfront before the punt takes place.I have recommended Hayley as maybe I just caught her on an off day but I would not see her again personally as there are friendlier girls working at Brooklyns.
