The Premises:

The Palace is close to the Civic Centre - safe area with plenty of on-road parking. They may be moving soon though apparently.

Good sized rooms, clean and tidy but no shower on offer although you can use the bath which has a shower attachment but not ideal.

The Lady:

Young, short, long curly brown hair, slim and pretty. A bit shy but quite friendly. Nice pert size B/C tits and a lovely bum.

The Story:

A very nice punt with young Jodie who is apparently only 18 and looks it too. She didn't kiss enthusiastically or offer RO (I didn't ask so it might be on offer) but everything else was available - went for OWO for an extra ?10 on top of the standard ?45 charge at this establishment.

Like many of the younger working girls Jodie has a bit to learn about providing a quality all-round experience - her OWO technique for example was a bit limited - but she was very compliant on the bed and I really enjoyed the punt. I'd really like to see her again - I think she will be a popular punt.

We had sex in two position and finished in doggy with a nice view of myself shagging her in the mirror whilst also watching a woman being dp'd on the DVD playing on the flat screen telly - nice!
