The Premises:

Very nice private house down a gravel drive - off Junc 4 of M54.

The Lady:

Very attractive girl with long black hair, sparkling eyes, and a winning smile. She was well spoken, and seemed intelligent as well as very friendly and warm. She had a marvellous figure and perfect breasts, a real beauty.

The Story:

An abortive business trip to Telford left me with time on my hands and I'm very glad I decided to pass it pleasantly at Kandy's in the delightful company of Maria. She told me she was new there so I was doubly lucky to discover both "Kandy's" and this wonderful girl, so unintentionally.

I really got on well with Maria, and was so impressed I decided to do a report. I shan't go into the details of what we did together, but I just had a most pleasant and sexy time with her, and thoroughly enjoyed every moment. Next time I arrange any business meeting in Telford, I will make sure its on one of Maria's days and schedule a visit in, so that I can thoroughly unwind before the long drive home.
