The Story:

Decided to go for the hour with owo ?120 got the money side out of the way and she helped me undress very passionate young lady plenty of very sensual kissing then I undressed her and she dropped to her knees then after a little bit of tongue work licking and kissing my balls she took me into her mouth deep down her throat and proceeded to give me some wonderful owo After a short time of this I just couldn't wait to get in her pussy so just took her to the bed and laid her down then on with the raincoat which she applied expertly with her mouth then lubed up and lowered her nice tight pussy down my shaft in cowgirl this felt so good then she went into Asian cowgirl after a short time of this we moved onto missionary and then I couldn't hold on any longer a shot my load deep inside her with her legs wrapped around my back a quick clean up and she lay me down on a clean towel face down for a nice Thai massage it wasn't long before those little fingers were slipping down between my legs and I could feel myself getting hard again so I raised myself up slightly and her little hand was soon massaging my cock I turned over and she gave me some more owo then on with the raincoat again and I was Soon fucking her in doggy she was somehow twisting her hips moving my cock in and out of her tight pussy we then changed to lotus position and I soon shot my load in her again holding each other and kissing then a quick clean up and a shower got me dressed a kiss good bye then I was off a very satisfied customer not a clock watcher
