The Story:

was met at the door by lacy, first time we have met and I was not disapointed. was shown through to the bedroom .then it was down to business, massive tits unleashed and i then fondled and played with her very erect nipples !!! then moved to teasing and playing with her clit til she cum on me. folks I am going to leave the rest up to your imagination .. this is one gem off a lady ,, cant wait till my next visit.
