### The Premises:

Debbie's has been pretty well described elsewhere - safe and comfortable and always nice to be welcomed by Debbie.

### The Lady:

Pretty girl... average height, medium-length blonde hair, probably not the 34d mentioned on the website, but nice bust and slim figure with lovely bum.

### The Story:

I hadn't been to Debbie's for a while but had noticed some new names on the rota, so decided to pop in first thing before work. Debbie let me in at the back and had a little chat while Emma prepared herself. Debbie told me that Emma was "lovely", and although I teased her that she always says that about her girls, it turned out she was right.

Emma, I have to say, is younger than I would normally go for, but when she appeared in bra, thong and heels, I tried not to let that put me off too much! We started in the shower, always an ice-breaker, then moved on to the bed, where we gave each other some oral then finished doggy-fashion (rather rapidly, I have to admit - when I saw us in the wall mirror, I couldn't hold back). Sadly, there was another client waiting so not much time for relaxing afterwards, which is a shame as that is usually one of the nice things about Debbie's and it would have been good to get to know Emma better - especially as I needed a few minutes to recover from her attentions! She is a pretty girl of few words (to start off with, at least), but don't let that put you off... she's lovely.
