Block of flats were HoD 3 used to be.

The Lady:

Lovely looking girl with a cracking body and enhanced breasts. She looks a little older than the pics on the website suggest.

The Story:

I read that EE girls can offer a limited service, so I've always been a little hesitant in visiting them. However, Suzi is excellent and I found her service to have none of the restrictions I'd feared. She gives great deep OWO and I had to stop her on a couple of occasions.

She seems to enjoy reverse O, and likes to play with herself at the same time. Sex was also good in a couple of positions before I dropped o sizeable load over her body.

I will be seeing Suzi again.
