The Premises:

La Maison is fine. Rooms could be a bit better, but overall OK

The Lady:

Blonde, pretty face with big eyes. OK body, but with smallish tits.

The Story:

Chose Emily because her profile said she swallows and that's my thing lately.

I was a bit apprehensive when I saw Emily as she isn't my usual "type". I prefer them slimmer, with decent tits. Emily is has a decent figure, but she isn't that slim and isn't curvy enough in the other direction.

Still, agreed OWO & CIM with Swallow, had a brief kiss - she was eager and involved, a full on snog - before going down to my cock.

Honestly, I didn't fancy Emily at all and sis not find her sexy, so this report will probably not do her justice. I could not get hard and she really had to work to make me cum. We finally managed it with her kneeling on the floor and being face fucked.

I came and when I did she started to lick the head of my knob, spreading the cum around, before taking some in her mouth and swallowing. Felt a bit cheated by that.

There are many guys out there that will love Emily, but I am not one of them. I didn't fancy her, didn't find her sexy, did not get turned on and I don't think she swallowed cum properly
