The Story:

arrived and payed up and we went straight upstairs and while chatting stripped off. reeba has only been working a few weeks but she knows what to do. gave great oral without then removed her bra. her tits hang a bit but she has lovely nipples and she likes them sucked. removed her panties and she asked to be fingered which i like but at first i struggled to find her lovely hole as she is really tight but after guiding me in and playing with her for a bit she got really soaking and enjoyed being fingered. eventually got my cock in that lovely pussy but as this was my 1st time with her i shot my load fairly quickly. shes a very good kisser and like to give you plenty of tongue
