The Premises:

Side street and open gate straight off road. Perfectly pleasant and convenient and certainly clean with shower along the short upstairs corridor where the bedrooms are.

Was invited to wait and this was a good idea as had very interesting conversation with Laura the boss.

The Lady:

Not best shown off on site pics but I can sniff out a good girl and Jaden is a stunningly attractive young black woman. Very pretty face and gorgeous natural breasts and perfect bum.

I was convinced she was new on the scene for good reasons - a certain shy politeness and a demure manner with no worldweariness, but she is experienced and that came to play its part later so pretty much an ideal combination.

The Story:

Hadn't been here before so Jaden explained the pricing and I paid the basic 40 (massage plus one service) plus 10 each for 2 more services.

Massage mainly us chatting to relax but lovely to have her gentle hands on me and to feel her young body.

Oral was good and very deep and turned into 69 which was lovely.

Sex in a couple of positions and Jaden was well involved and it was superb being intimate with such a beautiful woman.

HJ to finish and continuation of friendly no-rush chatter in what seemed well over the 30 minutes to me.

This is a simply lovely woman who has only had one previous FR it seems and is to me a hidden gem.
