The Premises:

Discreet location with entry from the rear of the building, across a car park, but you need directions to find it on the first visit. Parlour was small, clean and welcoming, if a bit pokey. Lots of background noise. Shower in the room. Unhurried service yet they seemed quite busy.

The Lady:

About 5' 4", size 8, with blonde bob hair to just above the shoulders. Big breasts. Welcoming, friendly, nicely took control, explaining what was on offer as standard and what was extra.

The Story:

Very enjoyable. Sara knows how to get her clients where they want to be ! Fantastic oral technique, with tongue flicking the tip of my cock as well as taking me into her mouth almost completely. Started with a really relaxing massage, lots of playing with my balls and stroking between my legs. Sara responded to my obvious pleasure and gave me even more. When I turned over, Sara's enthusiasm for her task was exemplary. Lots of nice touches - sucking my nipples, letting me finger fuck her for as long as I liked - while she got down to the hard work of sucking me off. Felxible too and didn't mind when I decided not to go for the CIM but to fuck her instead.
