### The Lady:

Very pretty and friendly Thai lady, beautiful hair and skin, plus the most amazing breasts, full firm and soft at the same time. A real work of art. Very friendly, very good english which she described as basic!

### The Story:

I visited this girl on the recommendation of another punter. I was shown upstairs to a pleasant room and after a couple of minutes Bee, wearing a slinky black dress, high heels and a thong, joined me and we proceeded to get acquainted fairly quickly, some very nice french kissing with a very mobile darting tongue, leading naturally to some breast play, plentiful oral by me on her, some beautiful light oral by her on me - I love a delicate mouth and she certainly had that. Then on with the rubber and she mounted me as requested for some excellent cowgirl, with a combination oral/titfuck to the end. Cim was offered but she couldn't quite get me there so a bit of baby oil and I deposited a large offering between her tits, which she played with for some time before disappearing briefly for a wash. After that she gave me a nice massage before we resumed relations with a bout of french kissing - she seemed very happy to see me revived after a short break and we proceeded to enjoy ourselves in a number of positions before the end in mish. There was some time left and we just chatted and stroked each other (she really had beautiful skin, I couldn't keep my hands off) with no rush at the end.

A really nice punt and I will definitely see Bee again. She rotates between bedford and northampton with occasional touring weeks away. The places she works use girls names as titles but these are the establishment names not the girls, who change weekly, however on a rota so you can ask when a girl will be available. But not Bee please boys as I don't want a long queue to form, lol. Super girl.
