The Premises:

First & second floor maisonette over a kebab shop in the one-way system. Door bell has now been fixed but the stairs are still very decrepit and steep with the bottom step missing. However once upstairs the bedrooms are clean and fit for purpose. Near to New Cross Gate station and on bus routes. Free parking in the side streets opposite.

The Lady:

Well built black girl in her mid 20's. Good size bust and a nice cirvaceous booty which she admits to being very proud of. Pleasant and friendly personality.

The Story:

The basic ?40 service here is now very limited, but I still enjoyed a pleasant punt. Moderate amount of foreplay followed by sex mainly in doggy where I pumped away to a good climax.
