### The Premises:

The IK Penthouse, near to the Armouries. Spotlessly clean and tidy modern apartment with easy parking close by.

### The Lady:

Absolutely gorgeous - 5'5", slim (more like size 6 than 8), mixed race beauty with soft, full, kissable lips (and a wicked smile). Lovely figure with an amazing bum. The pictures are pretty accurate although Leah's skin is slightly darker than the pics suggest.

### The Story:

Started with a brief chat and a drink to break the ice, then straight on to lots of french kissing, first next to me on the sofa and then sat astride me - Leah's lips are super soft and I could probably have spent the whole hour just kissing them.

We moved through and I had a brief shower before she did a quick dance for me (she has a great body and obviously knows it!). Continued with some excellent OWO, followed by a good amount of RO which she seemed to really enjoy (and I certainly was), then some 69ing.

She then put a condom on me and got on top for a bit, before moving on to missionary. Finally finished with some more OWO to completion.

We chatted (along with some more kissing) for a bit longer, before it was time for me to have a second shower and head on my way.

All in all I had an absolutely great time - and will definitely be visiting again soon.
