A EE lady beautiful 5ft 4 with medium breasts nice nipples.

The Story:

Started off with a HJ to get me going limited FK so decided to go down on her, that was a bad mistake. Thats all i am saying, my yearning to fuck this lady went downhill. She got the rubber on nice oral then onto cowgirl doggy and mish but could not come as i could not get the smell out of my nose and tongue. She is a very good punt but no points for hygiene
I then finished off with a HJ and the as we were dressing she gave me a tissue and she used one herself and then just dressed up again.
That bathroom they have must be hardly used lol
