The Premises:

Well known parlour on Union St, parked in the Blockbuster carpark opposite. Clean, safe, warm and well decorated.

The Lady:

Mid-twenties there or thereabouts, dark hair, slim body and a lovely face. She's got a stunning Irish accent and a really cheeky mischievous personality. I could happily spend all day pissing myself laughing with her. She's cracking.

The Story:

normal kind of beginning to the session, I paid, she stashed, came back in and immediately started undressing. I did too, and she came straight over to me, grabbed hold of me and asked if I was shy. I'm certainly not, and it appeared she wasn't either! My favourite thing is reverse oral so I asked if she was ok with it, she said no, and then started laughing and said of course she was. Relief!

I won't explain the rest in too much detail, other than to say she really seemed to enjoy herself, as did I... and she is a really sensual and raunchy girl. She's funny, clever and frankly I fancy her pants off. I'll be thinking about our session, and her for a long time to come, especially her impression of the London accent. Nearly there, but not quite hun. ;)
