### Details of Service Provider:

### The Premises:

The New Exchange is in Old Market and I have to say that the facilities are probably the best in Bristol, great rooms and showers, with white fluffy towels very very nice.

### The Lady:

She looks young but told me she was 40, great body not busty at all

### The Story:

I am not sure how new she is to this but it was all a bit too mechanical for me. Ok we all know that this is fantasy land and that we want to feel that ?????????? enjoy it, but this was just not for me, she even held the condom on whilst I was shagging her , so... great place, if they had some great girls they would clean up in Bristol, no doubt at all
