The Premises:

This establishment has recently been renamed from Cupid's Cheshire and still has a cupid logo by the door. It is close to the town centre near a parade of shops and had a number of youths hanging about. Inside it was a little careworn and given it was towards the end of the day in need of a vac, but nonetheless tidy and well presented.

The Lady:

Carly's photos on the Alicia's website are accurate. She is in her late 30s with lovely black long hair. She was a little self concious about her figure which is fine. We were also joined by Ellie who is a gorgeous 23 year old blonde.

The Story:

Carly saw that I spotted Ellie as I arrived and suggested she join us for part of the time for some girl on girl. For an extra ?20 I agreed and after some massage and kissing from Carly Ellie joined us. The girls were really into each other and I was left as a bit of a spare part. After they had both brought each other off with me in the periphery Ellie left. By now the half hour was nearly up. Carly was determined to give good service and launched into a very enthusiastic OWO which she continued with despite us being hurried along. She also took this to completion without additional charge by way of an apology for the short time available. This was also a first for me and I managed it twice in a few minutes. So definitely a game of two halves with the away team scoring twice in the first half and me shooting twice into the back of an unprotected net in the second.

I will definately return but may try the other pitch or a different set of rules next time!!
