The Premises:

A flat in an OK area, and an OK block with secure entry. I'm not sure I'd feel safe going there at night, but daytime feels safe.

Inside her flat was really nice, warm, nicely lit, the best shower I've ever had, and the bedroom was perfectly acceptable

The Lady:

Zora is exactly as her photo's; about 5'5" tall, shoulder length dark hair, B cup breasts (very firm) and a nice body. She is, as in her photo's, vey friendly with a lovely easy smile. She dressed for me in normal clothes as I requested. You can find her photo's and profile on the web.

The Story:

A very very good punt this. Zora is an enthusiastic deep french kisser, and her tongue is very active, she also has a tongue stud that she uses to great effect when doing bbbj, which she also does enthusiastically. So we start standing and kissing and after a while Zora is on her knees giving a great bbbj. Eventually we move to the bed where she continues sucking (including deepthroat), she then moved to 69 so I could have full access to her lovely pussy. After being taken to the brink a couple of times, on went the condom and we had sex in mish, and cowgirl. The latter signalled the end of my resistance, and off came the condom, I stood by the bed and she made me come in her mouth. She discreetly spat into a tissue, I showered, got dressed and we had a nice chat before I left, including Zora asking if her girlfriend could join us next time for a full on 3-some. I will almost certainly go back for that experience, and I can highly recommend Zora.
