The Premises:

The place was fine, modern flat I have been there many times.

The Lady:

As described. Slim and attractive. I am not too sure that she is 23 or Italian, she sounded Eastern European and looked at least 30.

The Story:

Very very disappointing experience. Hand shake as greeting, usually a bad sign. No kissing, straight into very mechanical wanking of my flaccid knob. I told her kissing would make him stand but it fell on deaf ears. It was her first time in the flat and she could not find the wet wipes, spent ages complaining that the Agency should supply them and they were just interested in money and not providing the suitable accessories. Eventually she soaked some toilet paper in cold water and rubbed it round my bell end, very painful and not conducive to hot sex. Very reluctant and unusual oral technique. Eventually got it up her arse in doggy, she twisted herself round so she could hold on to the condom, very awkward.

I wanted anal with her on her back and she insisted in changing the condom, I can't think why. Predicable my knob was not up to more mechanical handling and went flaccid. This is the first time this has ever happened to me, and it was due to her very sterile approach.

After 20 minutes she exclaimed 'you only have 4 minutes left' and wanked me off.

I left feeling very ripped off.

I have used the Agency and its sister Independent Angels usually with reasonable success and felt I had to ward the punting community about this charlatan.

Service Provider's Rebuttal

The agency writes:

Firstly we would like to appologies to the client involved for his less than satisfactory experience and ask that he contact us in order to arrange suitable compensation.

It is always a difficult time introducing new girls to our team, we rely on new girls in order to keep our agency fresh and to maintain our clients appetite for all things new. However new girls by thier very nature always bear an element of risk assosiated with the unknown and following less than satisfactory feedback from our own investigations Bella was not offered an ongoing place within our agency. Fortunately the majority of new girls we introduce prove popular additions, providing exceptional client feedback. We regret that we were unable to contact this client following his appointment so that the matter could have been addressed at the time.
