### The Premises:

Sensations is well reported on. Only minor thing I found wrong was a wet patch on the carpet where a previous punter had obviously stood after a shower.

### The Lady:

WOW!!! Tall very shapely Jamaican lady with a figure to die for and exceptionally friendly.

### The Story:

I unfortunately was on a time limit and although we progressed quickly Bianca was at pains to say she did not want to be seen as rushing me which she definitely wasn't. Lovely breast massage. Lots of cuddling and fondling both ways just as I like it, and I chose full sex ( I went doggie to admire her gorgeous butt) with oral both ways including 69 and was delighted with what I got. Treat her well chaps she is a treasure and without doubt the best punt I have ever had.
